

Vision Board Scoring Rubric

Construction:

Have visuals of the key points from each of the three lesson elements: Mindfulness, Empathy, OARS

Place/state the utility of each of these elements in assisting you to be your best version of self.

Show how the four content elements are interconnected?

Images or quotes/sayings that represent each of four lesson elements.

images and quotes/sayings relevant to the content?

images and quotes/sayings demonstrate the interconnectedness of content?

Use of color and fonts to create emphasis and flow of information?

Creates a visual and linguistic story of your vision for showing up in the world?

Sharing:

Tell the story with depth and meaning?

Share the story with another person.

Presentation:

Presentation reflects thoughtful decision making in the placement of information, images, quotes, and content.

Fills the space of the entire page and is visually appealing.

Product is easy for other people to read, interpret and understand your story.
